CAREER OBJECTIVE

Aspiring Software Developer with expertise in Full Stack web development, Data Structures and Algorithms, and System Design. Passionate about solving complex problems efficiently and building scalable, user-centric applications. Adept at working in collaborative environments and leveraging cutting-edge technologies to drive innovation. Seeking an opportunity to apply my technical expertise, enhance my problem-solving skills, and contribute meaningfully to impactful projects.

EDUCATION

Bachelor of Engineering (B.E.) - Information Technology (Pursuing)
SKN. Sinhgad College of Engineering, Pune.
Expected Graduation: 2027
Higher Secondary Certificate (HSC) – Science (12th Pass)

TECHNICAL SKILLS

- HTML, css
- Javascript, React.js
- Python
- C++
- Express.js
- Node.js
- Rest Apis, Json
- MongoDB

SOFT SKILLS

- Problem-Solving
- Quick learner
- Adaptability
- Communication & Teamwork

PROJECTS

1.Computer Shop Website (E-commerce for Refurbished Laptops)
- Built a responsive e-commerce frontend using React.js, HTML, CSS, and JavaScript with brand-wise product showcase, laptop details page, and modern UI/UX design.

2.Netflix Clone
- Developed a responsive Netflix-inspired frontend using HTML, CSS, and JavaScript with movie cards, hover effects, and a modern UI layout for seamless user experience.

3.Portfolio Website
- Designed and developed a personal portfolio using HTML, CSS, JavaScript, and React.js with responsive design, smooth animations, and sections for skills, projects, and contact.

ACHIEVEMENTS

- To become a proficient Full Stack Web Developer specializing in the MERN stack.
- To gain hands-on experience in backend and cloud technologies.
- To contribute to real-world projects and enhance problem-solving skills.
- To secure a challenging internship that fosters learning and career growth.

GOALS

- Active contributor on GitHub, showcasing personal projects.
- Regularly practicing coding and building real-world applications.
- Member of the college tech club, participating in hackathons
